BOOK SYNOPSIS

For fans of Italian wine, few names command the level of respect accorded to Brunello di Montalcino. Expert wine writer Kerin O'Keefe has a deep personal knowledge of Tuscany and its extraordinary wine, and her account is both thoroughly researched and readable. Organized as a guided tour through Montalcino's geography, this essential reference also makes sense of Brunello's complicated history, from its rapid rise to the negative and positive effects of the 2008 grape-blending scandal dubbed "Brunellogate." O'Keefe also provides in-depth profiles of nearly sixty leading producers of Brunello.
