BOOK SYNOPSIS

Each year, throughout Europe, from Scotland to Bulgaria, from Finland to Italy, from Portugal to Greece via France, Switzerland and Germany, people literally put themselves into the skin of the savage, in masquerades that stretch back centuries. By becoming a bear, a goat, a stag or a wild boar, a man of straw, a devil or a monster with jaws of steel, these people celebrate the cycle of life and of the seasons. Work on this project took photographer Charles Freger to eighteen European countries in search of the mythological figure of the Wild Man.
