BOOK SYNOPSIS

Late one night, Lucas Russell gets the surprise of his life. A beautiful--and sexy--woman drops into his backyard. What else can he do but play knight in shining armor to rescue Bree Addison? And since hes wearing just a towel at the time...well, things move from surprising to steamy very quickly. While their fling is thrilling and sensual, Brees got secrets, but her distracting suggestions are preventing Lucas from discovering them. Worse, this affair is on a time limit. How can he convince her to trust him enough to confess when hes got one foot out the door? But just as it seems all is lost, Lucas gets a little help from an unexpected--and supernatural--source.
