BOOK SYNOPSIS

Love, Betrayal and Loyalty on the Streets of Harlem Daruis, a.k.a. Rio, the only child of a singer turned alcoholic, feels he has nothing to hold on to except the idea of escaping the ghetto. Years ago, he took a gun charge for a friend and did some prison time. Unable to find a job when he gets out, Rio turns to hustling as a way out. In the meantime, Rio finds escape in the arms of his soulmate, Trinity. When Trinity's mother died, her abusive father looks to her to play the role of house wife and bedmate. Trinity finds strength to endure in Rio's arms. Together they vow to do whatever it takes to make it out of the ghetto. But soon they find their backs against the wall when the streets come to claim their due.
