BOOK SYNOPSIS

Big Girl Panties by Stephanie Evanovich is a rollicking and poignant romantic comedy about a young widow who decides to get in shape...and winds up getting her groove back—and a whole lot more! Holly Brennan used food to comfort herself through her husband's illness and death. Now she's alone at age thirty-two. And she weighs more than she ever has. When fate throws her in the path of Logan Montgomery, personal trainer to pro athletes, and he offers to train her, Holly concludes it must be a sign. Much as she dreads the thought of working out, Holly knows she needs to put on her big girl panties and see if she can sweat out some of her grief. Soon, the easy intimacy and playful banter of their training sessions lead Logan and Holly to most intense and steamy workouts. But can Holly and Logan go the distance as a couple now that she's met her goals—and other men are noticing?

THE SWEET SPOT A NOVEL - Are you looking for Ebook The Sweet Spot A Novel? You will be glad to know that right now The Sweet Spot A Novel is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all.
